

CITY OF BRISTOL, VIRGINIA
Community Development Department
300 Lee Street
Bristol, Virginia 24201
(276) 645-7470

COVID -19 Update (Updated June 4, 2020)

Even though City Hall remains closed, we are continuing to assist businesses and individuals with the following services:

Building Permits: To initiate a building permit, to ask any building related question, or to call for an inspection, please contact:

Commercial projects: Mike Johnston, Building Official
mjohnston@bristolva.org
276-821-6091

Residential projects: Wesley Woodby, Residential Inspector
Wes.woodby@bristolva.org
276-645-7293

Please know that we are doing inspections but will be taking all precautions with on-site visits, including physical distancing from any individuals at the site.
Please assist us by following this basic critical precaution.

To pay for or make arrangements for receiving a permit and receipt, please contact: Amy Dula, Office Manager, at amy.dula@bristolva.org or 276-645-7470. We are now taking payments by credit card and we encourage you to use that method.

Planning and Zoning: For zoning, subdivision, and sign permit questions, please contact Sally Morgan, City Planner, at sally.morgan@bristolva.org or 276-645-3784. Also, the zoning map and other mapping information is available from the city website: <https://bristolva.interactivegis.com/login/> Sign in under Public Access. If you would like assistance with our GIS information, please contact Sally or Kelly Miller at Kelly.miller@bristolva.org

Code Enforcement: The city is continuing code enforcement activities during this time. To report an issue, please contact Chad Osborn at 276-645-7361 or chad.osborn@bristolva.org

Community Development Block Grant (CDBG) Program: For any questions about minor home repair, CDBG applications, or other housing-related matters, please contact Ellen Tolton at ellen.tolton@bristolva.org or 276-645-7473.

For all other matters or general questions, please contact Amy Dula at 276-645-7470. We are doing what we can to prevent the virus spread, but to continue all services to the public. Thank you for your assistance.

SOCIAL DISTANCE, WASH HANDS, SAFE LIVES!
