Bristol STAR - Neighborhood Improvement Award Program

Purpose: To recognize and thank residents who have made considerable efforts to invest in their homes through home repairs, yard maintenance/clean-up, landscaping, and general appearance improvements. The ultimate goal is to encourage other neighbors to undertake similar improvements.

Criteria for selection: Priority will be given to owner-occupied residential properties in which improvements have been completed. Properties should be located in our core older neighborhoods, including Virginia Hills, Kingtown, and West side neighborhoods (west of Commonwealth). Renter-occupied properties are also eligible, as well as projects in progress as long as they have already received significant investment. **Particular emphasis is on properties that stand out as an example for the rest of the block or neighborhood.**

Process for selection: Nominations will be solicited through the city website and Facebook page, and must be submitted on the form below. A property owner may nominate their own property. The Bristol VA Neighborhood Pride committee will make selections quarterly. Recipients will be contacted and be provided a yard sign identifying the property as a recognized "BRISTOL STAR" to be displayed in the front yard for a 90-day period. We are also planning to provide up to a \$50 gift card donated by Lowe's or Home Depot to the award winners.
